

National Rotating Equipment and **HOWHOT** have joined forces to help you **save money** and our planet!

Efficient Water Consumption Pump Solutions

Heat Pumps for Industry and Swimming Pools

Heat Pumps for Domestic Applications

MAKE LIFE BETTER WITH OUR PUMPS

WATER PUMPS

The **Variable Speed Drive** goes into sleep mode when the system requires no flow, using only power required to overcome current water requirements and utilisation of existing pressure. This gives you the customer tremendous savings because you are only using what you need and there are no unnecessary losses or usage. We are also the exclusive distributor for High Quality European Brands like **SAER ANDRITZ ETATRON D.S.**

HEAT PUMPS

SAVE up to 70%

on your water heating costs with **HOWHOT's** high efficiency heat pumps for domestic, industrial swimming pool applications.
